Chapter 1 by Cat4055

“I am life. I am the universe. I am the most intelligent life form in the galaxy, and yet I feel dumb compared to the monkeys. Somehow they knew, somehow they stopped, somehow they didn’t evolve.

I am a rose, a beautiful, but deadly flower. My name is not important, but the others call me Fwowera. I have been sitting on this mountain, in my own little cave for generations after generations. I was part of the Big Bang. I was one of only two life forms in the big bang. I evolved while the other one, my brother, got lost in space and time.
